ABOUT ME

I am a knowledgeable and motivated computer specialist with experience in managing Windows and Linux systems as well as network configuration. I have strong skills in C++ and Java programming languages, and I am also the author of a book in the field of C++. Currently, I am learning new skills in software development with Java and continuously improving my abilities in this area. I have a strong passion for technology and I am always eager to improve my skills and learn new technologies.

VOLUNTEERING

Azerbaijan

C++ Programming Instructor for Azercell Cup

Provided C++ programming lessons to students preparing for Azercell Cup competitions at FRITL in Ganja.

Trained students in algorithmic problem-solving and coding techniques.

Prepared practice materials and sample problems for competition training.

Mentored and supported students throughout the competition preparation process.

Stepped in as an unofficial substitute instructor and led the optional Day 6 session.

PROJECTS

11/2024 – CURRENT

Fundamentals of C++ Programming - Accepted by Bodleian Libraries, Oxford

Sole author of "C++ Programlaşdırmanın Esasları" (Fundamentals of C++ Programming), an independently authored textbook in the Azerbaijani language and one of the very few dedicated C++ programming resources available in this language. Published by Fener Nesriyyati, Baku, Azerbaijan (2024). The work was formally accepted into the permanent international collection of the Bodleian Libraries, University of Oxford, and is held at the Radcliffe Science Library. It was developed in support of students participating in Azercell Cup, Azerbaijan's foremost national technology competition. Catalogue reference: solo.bodleian.ox.ac.uk

HONOURS AND AWARDS

06/2026 Qarabag University

Letter of Appreciation - Qarabag University

Received a letter of appreciation from Qarabag University for donating books to the university library. On behalf of the professors, teachers, and students of Qarabag University, the Rector, Shahin Bayramov, expressed sincere gratitude, noting that the donated publications made a significant contribution to the development and enrichment of the library of the newly established Qarabag University.
